## **Important Information:**

U.M. ARMY is an all volunteer youth mission organization. We are unlike other youth mission programs in that participants combine their strengths and churches pool their resources in order to make our mission week successful. Our fees are considerably lower than other mission programs doing the same type of work but each church is asked to provide the following support during their mission week:

- Church groups must commit to bring at least 2 adults for every 5 youth. Minimum of 2 adults per church.
- Participating churches are required to do criminal background checks on all adults registering with their group
- Each registered adult should plan to bring a safe insured vehicle for their personal use to transport youth, tools and supplies during the week.
- Church groups will be asked to bring tools to be used in the mission work. A tool list will be provided after the group registration is received based on the number of participants you have registered.
