

## Dress Code

Because U.M. ARMY is typically going into conservative communities and churches with standards differing from ours, we strive not to offend anyone. U.M. ARMY uses the words modest, conservative and appropriate to describe clothing that is suitable for our work camp. All participants will wear appropriate clothing at camp for safety reasons and to reflect that we are a Christ Centered organization. Clothing with objectionable printing, such as alcohol and tobacco advertising, offensive words or designs is not allowed.
